UCF IT Telecommunications

Deskphones

AudioCodes C450HD (Native Teams)

The AudioCodes C450 is UCF's Teams calls-certified handset for use in eligible situations. Operates on the Android platform and is not a traditional "landline phone." Requires a powered ethernet port for setup on each department's internet network.

No Additional Cost (requires Teams Calling phone service)

C450 Expansion Module

Get a multi-page expansion module for your AudioCodes C450HD to give you more speed dial keys. The display enables simple configuration of the line keys, as well as presence information using colors.

No Additional Cost (requires AudioCodes C450 deskphone)
