

"The life is action and passion. It is revealed in a man that he shares the passion and action of his time, as the world of being judged never to have lived."
— Lord Byron

Unit Specific Considerations

- Business Critical Applications ?
- Business Critical Deadlines or Blackout Dates?
- Any Other Considerations we may have missed?

Unit Onboarding Process

Unit Identified

Unit Discovery

Data Gathering

- SCCM Reporting
- Active Directory
- Confirm Access
- Confirm Internal Stakeholders
- Notify Internal Stakeholders
- Identify Liaison

Go/No-Go Decision for Unit

Communications

Intro Email to Unit from BRM

- Benefits
- Features
- Time Table
- Overview
- Contact Information
- Liaison

Email to Unit from Project Team

- Follow up for Kick Off Meeting
- Introductions
- Initial Business Facing Resources

Kickoff Meeting

Face to Face Meeting

- 1 Hr. Minimum
- Participants Include
 - EES
 - BRM,
 - Liaison
 - Zone Manager
 - Project Manager
 - Business Analyst
 - Additional Business Representation

Unit Specific PPT

- Overview/SDP
- Timeline
- Executive Summary

Information Gathering

- Blackout Dates
- Project Concerns
- Mission Critical Items
- Misc.

Setup Reoccurring Meeting

Internal Kickoff

Resource Gathering

- Create Microsoft Team Space for Unit (Temporary)
- ID Project Item Ranking
- Build Schedule
- Assign Work
- Build Baseline Consumables

Execute

Estimated Timeline

- Weekly or Biweekly Checkpoints
- Current Estimated Completion Time: **End of Summer 2019 or Sooner**

Mutual Expectations

Project Team

- Provide Frequent Communication and Updates regarding progress
- Be available to discuss, explain or address any questions or concerns the business may have during engagement
- Provide documentation and training
- Work with UCF IT Support Center to execute changes and provide deliverables
- Work closely with the business to reduce and potential impact

Unit Point(s) of Contact

- Provide information regarding workflows and business processes per request of the Project Team
- Provide feedback on the user experience and how it could be improved during engagement
- Identify Pilot users and work with Project Team to establish key migration dates
- Participate and engage in checkpoint meetings and briefings

Next Steps

- Schedule Reoccurring Meeting / Checkpoints
- Temporary Microsoft Teams Site for all Stakeholders
- Project Team Internal Evaluation and Task Assignment

Regular Status Updates located:
